

**SMART  
BUILDINGS  
CENTER**

## Smart Buildings Center Education Program Presents

# WHY SMART BUILDINGS?

## 2018 Executive Forum

Bringing the Edge to PNW - Envisioning Smart with Erik Ubels

June 7th, 2018 | 10AM to 2 PM

Pacific Tower Panoramic Room

1200 12th Ave S, Seattle WA 98144

**ERIK UBELS**

**Erik Ubels**, Chief Technology Officer for OVG Real Estate and former CTO for Deloitte, will discuss the development of the Edge building in Amsterdam, and share insights on how the IoT infrastructure installed within the building empowers a more productive workforce. **Bert Van Hoof**, SBC-EP board member, Group Program Manager for the Azure IoT and Partner at Microsoft, will lead a Q&A with Erik focusing on what's next for smart buildings and how smart buildings contribute to business success. A local panel of private and public stakeholders will also share their unique perspective of smart in the pacific northwest.

Lunch will be provided. Limited seating, register today!
