

# Building Potential™

## 2025 YEAR IN REVIEW

The Smart Buildings Exchange had **300 attendees** in our annual virtual series and over **200 registrants** for our fall conference.

The BOC saw over **650 students** earn a BOC credential. Congrats to our Grads!

**70 Industry Groups** leveraged the free SBC space to host their events.

The Tool Lending Library checked out **585 tools** over the course of the year!

Our City of Seattle Benchmarking Help Desk held **318 video calls** and fielded **2,112 inquiries**, helping the City achieve an outstanding **98% compliance rate**. Our Clean Buildings Help Desk now provides **free statewide benchmarking support** for Clean Buildings compliance.

More than **500 Participants** have engaged in our Qualified Energy Manager Program!
