

WA Clean Buildings Performance Standard OPEN HOUSE

LEARN HOW TO COMPLY!

NOVEMBER 5, 2026
7:30 AM - 1:30 PM

Drop-In Event: Attend at anytime throughout the day.

Did you know all commercial and multifamily buildings over 20,000 square feet need to comply with the WA Clean Buildings Performance Standard?

Drop-in to join Clark PUD, Energy Trust of Oregon and NW Natural for an open house focused on Building Performance Standard compliance. Get your questions answered and receive one-on-one assistance from utility and industry experts, as well as representatives from the Department of Commerce.

Event Address:

Clark Public Utilities Electric Center
1200 Fort Vancouver Way
Vancouver, WA 98663
